Canapea - Coltar - Fotoliu

Bruxelles

Structura canapelei este din lemn masiv de fag, plăci din aşchii si fibre de lemn, o structură solidă si stabilă. Ca utilitate, permite variante de realizare de 2,5 locuri sau 3 locuri, fixă sau extensibilă; la fel colţarul poate fi fix sau extensibil, prevăzut sau nu cu lada pentru depozitare. Extensia are o structură metalică şi lamele elastice din lemn de fag combinate cu folie de polipropilenă şi o saltea de 10-12 cm cu arcuri Bonnell.
